

**Louisiana Conference on Water Supply, Sewerage,
and Industrial Wastes, Inc.**

P.O. Box 641060 Kenner, LA 70064

October 30, 2019

Re: Invitation to Exhibit

The 83rd Louisiana Conference on Water Supply, Sewerage and Industrial Wastes, Inc. Annual Conference will be held in Shreveport, La on March 16 – 19, 2020, with Exhibits on March 17 & 18, 2020 at the Shreveport Convention Center. Technical Sessions and Exam classes will be held at the Shreveport Convention Center, also.

The purpose of the Louisiana Conference on Water Supply, Sewerage and Industrial Wastes, Inc. is to promote the professionalism of, to provide for training of, and to provide a forum for the exchange of information among everyone in the water and wastewater fields. The Conference strives to promote and support mandatory certification of the water and wastewater operator, to improve the overall quality of life for the citizens of Louisiana through safe drinking water and protection of the environment.

We would like to invite you to participate in our conference.

The cost of a booth is \$725.00 for an 8' x 10' reserved before February 1, 2020 and \$825.00 after that. See attached for if you are interested in getting more than one booth for prices. Each booth includes registration for two (2) company employees. This includes Louisiana Conference membership, and also tickets for meals, including the banquet. Additional tickets may be purchased.

Included is the registration form, a form if you need additional badges, Sponsorship form, and the form if you would like to place your business card in our program or on our website. Also, included is the layout of the exhibits so you may pick out your location. I will do my best to give you your first preference, but please include 2nd and a 3rd choice just in case I can't. There will be an updated layout on the website at <http://louisianaconference.org>.

Thanks, and look forward to seeing everyone.
